If it helps, I will redesign the =ystem. This involves a complete redesign of the switchgear and the additio= of step up transformers. With all of that said, you will be able to to th= design as requested and use the generators to back up both islands. Addit=onally, I believe you will save some money.

I wil=, however, send you an addendum for this design because it is quite detail=d and a significant amount of additional work.

I apologize for not getting back to you= We are out doing the final ROV work for the cables in the deeper ar=as and are out from about 630 until 630.

We are preparing to finalize the EAR for the cables= we are presenting to DPNR and COE at their meeting on the 21st and then s=Submitting the same day.

I will try to call you from out on the boat, but its windy right now.=br>
