Good Morning Richard,

Thank you so much! I have copied my =usiness manager Gary Price on this email . He will touch base with you =ometime tomorrow to go over the insurance options and paperwork =etails. Please let him know a good number and the best time =rame.

The =ehicle is due in on Monday the 22nd or Tuesday the 23rd. If we could =et up delivery for Thursday the 25th or the Tuesday the 30th =nbsp;after memorial day I believe it would be the best, it will give us = little buffer time in case the truck is delayed and of course time to =lean and prepare the vehicle. Please let me know if yours and Mr. =pstein's schedule allows for that, I know he is busy and want to make =ure we have it scheduled ahead of time.

As soon as you have spoke with Gary on =inal numbers we can work on Insurance. I look forward to hearing back =rom you and appreciate your time.

Warmest Regards, =/span>
