Hello Jeffrey!

Thank you so much for your help - I got=in touch with Lesley and she booked a ticket for me so I'm very happy =o go home in August!

Regarding your new assistant for the moment=I have two options on my mind but both have a bit of an issue and both are=not in NYC yet. Let me know when/in what way is it comfortable for you to =onsider their candidacies as I will need to give you a verbal intro and sh=w the photos so that you can tell me if I should work on them or keep look=ng for the other one(s).

Thank you!
