As far as the travel and meals, he thought they would just =ickle & dime a few things.

The 2 big issues are the gifts and the office visit. =nbsp;Sounds like you have the gifts taken care of. He walked us =hrough the office visit. Basically, we just have to be sure to =et up A's office using the furniture and fixtures that we =urchased through the business. We also made it clear to the CPA =to convey to the auditor), many of the furniture items were purchased =hen they were needed when Sublime had 2 full time employees in the =previous apt. / space. Some of that is not needed at the moment in =he current space / company iteration, but may be needed in the future. =nbsp;

The CPA =s going to be on vacation for 2 weeks and then AS so the office visit =robably won't happen until early July.

Anastasiya was on the call so can fill =ou in on any other details.
