I am waiting to hear from you for our scheduled call today but I understand that you're backed up. My call was to ask you to renew your contribution to The Hasty Pudding Institute for me again this year. You have been VERY generous to this organization in the past, I know, because of the extent of its import to me. That has not waned and I do not take your support lightly nor for granted. So I wanted to take a moment to follow up on the written request with a personal appeal. Thank you for listening.
