Jeffrey,

I understand your concern=

Please check out all the =nclosed images..these are some of the many studies we did last year<=p>

that showed the cascading=stairs going down to the road. One of the sketches was done with you=on the island back in October. Yo= had indicated that the stairs were too formal and a little bit over the t=p.

One would never walk down=towards the road from the screening room..so we moved away from that idea.=o:p>

<=p>

We will be sending you sh=rtly some ideas of the current pool concepts with the stair at the northwest corner o= the pool as we had discussed yesterday.

<=p>

But we can always design =he cascading stairs back into the plans if you wish.

Let's talk Monday a=ter you see all the sketches.

Thanks,=/p>

Tom
