I will not promise you anything but will let the actions speak for themselves. I would like to make you happy without causing you distress. If you ever decide to give me another chance, I will do my best not to let you down anymore not only for you but also to prove to myself that I can make it. I think I've achieved some results and gained some value if I compare myself 2 years ago from now. Thanks to you I had the possibility to make many interesting experiences like Ferragamo in China and Alaïa in Paris. Even though I didn't get hired from them, those experiences allowed me to understand what I like and what I don't like and shaped in part the person I am. Thanks to the Alaïa internship and my passion for photography I am now working with Paolo Roversi doing what I really like. However even though I work hard and I am paid I cannot fully support myself to pay a rent and my living in Paris. I really would like to continue through this path, I feel it's the right one but I need your help, your support and your advices because I cannot make it by myself.
