The cows got past Hotwire at the log cabin and badly damaged the tuff in the=front of the cabin

Generally we would fill in holes and reseed, but with up coming Ceremony the=e is no time for this area to recover.

Therefore I would propose we sod the area. This could be completed by tomorr=w night, giving it time to settle for Saturdays ceremony .

Cost \$2300.00

This also includes a small area at the entrance to Larrys house where the hy=ro seed did not take

Can we proceed
