Thanks for including me today- can now see much more clearly what Gates is trying to do, might work. DAF idea a good one. <=r> Philanthropic wife and intergenerational wealth issue is also one I have been pondering , and a little vexing, but worth a closer look, lets discuss?

Reid Hoffman++++ WOW, stellar, very impressed yet again.

I'm here until Monday night, will make any time available if you have any. Would be good to follow up on some of the DAF ideas, so let me know.
