Subject: Re:

Thank you once again for inviting us today. Adrienne, the girls and I had = really great time with you. We found all your work on the island extreme=y interesting (I expected nothing less from you?).

As limited as it may be, what I appreciate most is our friendship.

Thank you once again as I really appreciate the opportunity and experience.

P.S. I commandeered your boat for a drop off to St. John.

Best regards,

Eric
