I did. It is a really interesting/eclectic group of people. We talked =bout AI. What I enjoyed most is that I got lot of intelligent disagreement=and pushback. I miss that. I hope to hang there more often.

I actually figured out that it was an intreating group before I realiz=d that it was your PED institute. Joscha first brought me by. I vagu=ly remembered that I had met Martin before, but I had forgotten that it wa= you that introduced us. So I can give you my objective "blinded" evaluation: nice job.
