Re: SV: Application as personal assistant.

Hello,

Sorry for getting back to you so late. I have been doing a lot of thin=ing and talking with people around me, and find myself very uncertain if I=really want this position. Since I am not 100% convinced that this positio= will suit me, I am letting you know now.

I am very grateful for the opportunity and am very sorry if this is an=inconvenience to you.
Being that I am so uncertain I think it is better that I don't take th= Skype interview, so I don't waste anyone's time.

Kind regards [REDACTED]
