H= wonderful man,

I will get straight to the point◆=80◆ I've approached several charities and have run into two main snags. 1= For the larger ones,the bottom line is that this set up creates suspicion b=cause they are so heavily regulated and examined and because I have not bee= working for them for many years, the salary would be an issue.

<=pan> The smaller charities have told me that they often don't even ma=e in a year as much as I would be being paid and they cannot justify it. Bo=h are afraid of the IRS scrutiny. Both want to know where the salary is com=ng from specifically.

How shall we proceed?<=div>
