Your ears must be burning as the old saying goes , although I wasn't talking about you, but thinking about you and=Was actually going to email you yesterday but who knows what the fuck distracted me, could have been one of those "senior moments" or second glass of wine. Anyway I'm doing pretty good. A month off work which is the=longest I've ever taken. My brother who's been staying with me is back east=so I've been alone in the house hanging out and doing a few dinners with co=edian friends. And forcing myself to try to write new stuff since 80% of my=act is gone now! OY! Have a hot young "grief counselor" coming to visit me f=r a few days in Montreal which should be a nice distraction. I certainly ne=d it and deserve it!!! Hope you're doing well and as you know I'll be in NY= first three days of August but you'll probably be at the ranch in New Mexi=o. But always love hanging if you're in town! Maybe even Montreal? The seco=d week I'm there is when more comedy stuff is going on, but knowing you you=ll just fly in and leave after the show!!!
