Good morning. What are the chances we see you new year's eve? If not then, when shall we come for lunch? We're 10 people all together. If that's too many we can all eat on the boat together and then hang out on your beach. I'm thinking 12 31 lunch or 1 3 dinner. Do either of those work? Also, as usual, you and your entourage are invited to the 22nd annual new year's day party on sxm. We're flying from stt. I chartered two twin engine prop planes for the 20 min flight each way.
