Music and song play an=important role in Palestinian Authority political messaging to its childre=. The PA's most fundamental message to its people and its children, that a=l of Israel is actually "Palestine," is prominent in many songs broadcast =regularly on the official PA and Fatah TV stations.

One of these songs dep=cts a bird that flies over all of "my country Palestine." The bird "=lies over" the Israeli cities Safed, Tiberias, Acre, Haifa, Nazareth, Beit=Shean, Jaffa, and Ramle, all of which are depicted as part of "my country =alestine."
