Marion fr=m MB Maintenance is "Wayne distributor" for Fuel pumps.

They originally put in our fuel station, Mario will pull up ou= old records and get a quote out to us in 2 days.

Morning! I know your punch list states if Mr Nester has not found t=e 2 new fuel pumps by Sept 30 to find a new vendor, but I really think some=due diligence should be going on now just in case. Jeffrey seemed really 'h=t' on this...Anna, have you researched other vendors yet? If so, you c=n give Bebe their names/numbers and she can help. Or Can you Please pass al=ng exactly what make/model (item number(s)) and description and Bebe can st=rt helping research today where else we can purchase the fuel pumps? =he can also call Mr Nester today and follow up with him to see where he is w=th them. Bebe, tell him you are Anna's assistant. (Can you give Bebe his nu=ber?). ☺thanks, Lesley
