Jeffrey,

OK, noted. Does that mean we can close on Friday?

I've just arrived in Sao Paulo this morning with Hosain - we're here for = day of meetings, then Rio tomorrow for another day of meetings with =ike and team to agree the JV for Jawbone Latin America.

He suggests that we call you later.... so he can update you, but also =igure out when this can be closed, because he can't do his deal with =ntel until it is done - since he needs to provide them with the latest =ap. table and can't do so if an investor hasn't yet closed (and is =oing so at a lower price than them).

And I am just figuring out when I will be back in Paris.

Best wishes,

Ian
