THANK YOU for your support!

Dear Jeffrey,

The 29th Annual Mayor's Cup marked a wonderful achievement for the organization and most importantly for the children of New York City, as the final awards celebration was held on the newly opened, Victor Kiam Stadium and the boys' varsity final on the Pershing Square Stadium.

Comprised of 14 events, the Mayor's Cup is the largest annual free interscholastic tournament in the nation. This year more than 600 participants from public, private and parochial schools competed in individual and team competitions. Beacon High School won the boys' varsity team competition with the girls' varsity team competition being completed in the Fall to coincide with their team schedule.

160 schools represented.

NYJTL's vision is to enable youth to grow with the game and our commitment to the youth of New York City has never been stronger. Please join us in congratulating the young scholar athletes who played their hearts out this past week.

Sincerely,

George Guimaraes
President & CEO, NYJTL
