Amex has now told me they can only get the c=nnecting flight for [REDACTED] to St Barths (the leg on TradeWinds from San Juan t= St Barths) either on the 20th of December or January 8th. They have no ava=lability between these dates!!

When I go on to the Tradewinds website it does give me tickets for d=tes other than Amex has specified. eg for the 30th December. I do not wnat t= purchase it online until we have a definite hotel booking as the Tradewind= flights are not refundable. The ticket is \$1140. They do have a policy tha= you can put a ticket on hold for 48 hours but you would have to call them d=rectly for this. I am not getting a reponse at the moment when I try to cal=.

Isle de France Hotel can waitlist [REDACTED] and Lesondines Ho=el has availability from the 30th until 11th.

I have cc'd Lesley as I might be moving around tomorrow. I think maybe the=best is to see if we can get the flight on the 30th directly through Tradew=nds tomorrow and take the hotel reservation at LeSondines from the 30th unt=l the 11th
