Dear Bella

This is to confirm that the art work is ready and =ertificates of authenticity are placed at the back of both art works.

I just need to know if you want us to put it in its =pecial crate or soft-wrap as we normally do for local deliveries.

The crate is quite large measuring : 243 x 189 x =7 cm made to take 2 art works each art work measures 234 x 180 x 5 cm.

Those crates are made specifically for air =argo.

If you could let us know what do you prefer to do since =t may be a problem entering the crate into apartments in Paris or let

alone storing it.

we can also provide you assistance to secure transport, =et me know if you need it and to what address so i can send you

a quote for delivery.

Thank you
Anne Robert.
