Jeffrey,

I've been asked by Eileen to tell Melanie that payment for all art purchases - whether made by Leon for his personal collection or by Leon on behalf of the children's trusts - should be handled by the family office.

Currently, Melanie is paying for Leon's art purchases for his personal collection directly out of his bank accounts on which she has power of attorney. She sends the family office invoices for purchases being made on behalf of the children's trusts so that we can arrange payment for those.

I just want to confirm that you and Leon want payment for all art purchases to be handled by the family office.

Thanks,

Heather
