Brian had some Honey Drop teas and drinks dropped off at the house for =ou. The company approached his friend, Ryan, who used to be with Red =ull and said they are currently looking to sell 51% of the company. I =ried the Lemon Ginger one this morning and thought you would like =hem.. they are all sweetened with honey and have minimal natural =ngredients. I know you're always looking for new yummy drinks and these =eemed pretty good.. let me know what you think!
