Jeffery,

I've finished my advanced immersive software engineering program coupl= weeks ago. It was intense but worth it.

I'm interested to work on my own projects and eventually launch a star=up. Meanwhile, I'm looking for a consulting work as a full stack softwar= engineer to financially support myself (my husband is having hard time su=porting both of us).

I'm going back to Russia at the beginning of the November where I have=an interview at US Embassy. Within a month I will know if I get my immigra=t visa. In either case, I will have a work permit.

Please, let me know, If you know anyone who might need a full stac=[REDACTED]. I've attached my resume.

Thank you,
[REDACTED]
