They only had 2 in the yard and they look far different than the photos they provided earlier so I told them to hold on shipping them. I don't think you'd be happy with them.

They're loading=today to ship tomorrow so I don't know if we would even have room left on the reefer for these or not, but they have a handful of these large standard Seagrape left at \$525 each.

Daphne,

I have responded previously, but to reiterate t=e Bouganvillea will be shipping from MIA the last week of August. All=Clusia are already at our STX yard. I believe Chris was wanting some B=mboo and large Agave, which we've provided pricing on- if we haven♦=80♦t heard back from anyone on those items we will ship the Bouganvillea w=thout them.
