Jeff... I'm not able to make a decision in choosing a job. Usually, whe= I really want something I know immediately but in this case it's impo=sible. I have no carre plan, I don't know which job is better, how to=ask for it, who should I call first, which city I should go to. I have abs=lutley NO idea. I feel paralyzed. I really need help in making the go=d choice. Having to deal with it alone makes me panic and at the end of th= day nothing is done, terrified that every choice might be the wrong one. = don't want to regret it like I did with hotel Costes
