Since next weekend is Memorial Day weekend, airline flights to St Thomas are=getting booked, I have reserved tickets for Dave and I for Friday, let me know if we are firm for Saturdays trip to PBI, when your able?

Main wheels should arrive Thursday morning, if all goes well, test fly Friday=., Current photos as of today , it will go together fast, (safely, but fast)., We are installing new main rotor hub bolts, new tail rotor drive pitch links=,should have a smoother ride with tail rotor pitch links.,

Thx,  
Larry
