Jeffrey - thanks for your note and tha=ks for your continued friendship to my uncle and your concerns. I'm p=etty sure I respond to all your emails but if I have missed one I apologize= With respect to your request re: philanthropic support by Mort to yo=r program, I had indicated that it was something that he/we would consider i= time as Mort determines his holistic philanthropic approach and desires an= the formalization of that. On another front, I am not aware of the u=covering of the financial errors but do know that any of the suggesti=ns of your advisors had been previously considered or previously implemente= by Mort's lawyers and financial advisors. Regardless, I am not interested i= nor is it appropriate to go back and forth, as I am appreciative of your s=ncere support of my uncle. As I said above, your request for Mort to s=pport your program can be considered at the appropriate time. Thanks a=d sincerely, Eric
