Subject: Re: Boat in YOur Office

</=iv>

The wall i= drywall with studs every two feet, I don't think it can hold the boat but=I can ask one of your guys on the island what they think. In th= meantime, I'll have Daphne look for something stronger and lowe=.

With warm regard=,

Cecile

Jeffre=,

We will need=to move the boat out of your office in order for the new carpet to be laid= It was moved away from the wall so that the painters could paint be=ind it. When it was moved, it was clear that the table it sits on is=not that sturdy. Can we choose a sturdier surface and one that is sl=ghtly lower so that the masts don't touch the ceiling?

The painting is basi=ally done. I will have them come back to paint behind some of the de=ks that were too heavy to be moved and which need to be moved for the new =arpet. I have secured space next door to be used to house our furnit=re while the carpet is being put down.

</=iv>

With w=rm regards,

Cecile
