Part of the elevator ceiling at [REDACTED] fell on my neighbours head, she had some=concussion and went to hospital. I just want you to know because if the bui=ding is sued I don't know if it can affect my baby. There are ( I would say off hand) like 6 square panels on the ceiling of it t=at are covered in reflective glass. One came down on her head. Recently I h=d to save [REDACTED] from the elevator because( according to her) it shot up to=the 17th floor very fast and jolted. She was then locked in the elevator so=we got Andrew ( the super) to come and free her. If it can affect you I fee= like they need to be fixed. If it can't affect you, I have mentioned to o=r girls just to be conscious when taking them.
