Subject: Re:

Thinks software looks good

Like the features which would be helpful such as mont=ly and quarterly reporting, inter company transfers, and importing brokerag= statements (although I do not think they have much there) Not su=e how much better than quickbooks as most other features can be done on qui=kbooks (such as consolidated statements, check writing, etc)

=/div>

If they were to try I would not do with current team in place and=would have new CFO run this project One downside is I believe fil=s are hosted by company rather users internal network
