Hello,

I received shipping =onfirmation on some of the plates and pending shipping for the rest =omorrow. Our arrival next week to finalize the plate installation =nd install the last two dimmers will be based on Mr. Epstein's =chedule. I would like to schedule the work with George an Luigi for the dimmer =nstallation and programming and have my junior installers handle the =late installation. We will have 4-5 technicians plus myself in =he residence on the day of the installation. That may be very disruptive to Mr. Epstein's schedule and as such it =ould be best if he is out of town. Please advise and we will =chedule accordingly. Thank you.

Regards,

Al
