Hi [REDACTED]

Unfortunately Amex account has encountered fraud. We were requested to forward account analysts with details. You are behind on all backups for your personal charges, as you only forward JE charges sometimes. For your personal explanation I was ok with travel or clothes, but it is not good enough, I need names of who traveled, where, what items were purchased. If you need any help please let me know as it is extremely urgent to get this information to American Express. Please immediately provide details to all charges. Summary of your statement January 1st - January 14, 2016 attached=
