Subject: ambulance

attached is ambulance that has had the =terior refurbished steve, who happens to be =wner of ambulance trader.com <<http://trader.com>> , buys many units from federal auction, =efurbishes in his Bakersfield, CA factory and resells he said unit which online shows price of 24,900 can be =elivered and equip with basics (list to follow) for around =7-38k i shall receive list of what unit will =ontain along with new mexico requirements tomorrow

Wheelbase is 149" =type I ambulance)
Unit sent yesterday had =heelbase of 175" (type III ambulance)

please advise if size and appearance of =mbulance is ok

thank you
