Subject: new imac for palm beach
Attachments: Tekserve-Quote-2207153a.pdf; Untitled attachment 00265.htm

JE,

Got call from JANUSZ last nite his pc is down and =ill not boot, Can we get him an entry level imac for that location? I =ould be able to train him remotely and we are moving well to keep this =imple and make staff more productive and responsive to your =equests.

Let me know if this is ok or we need to find =ome thing else.

attach is new computer request for his broken one in florida =scott

=
