I think the best way to do this is to give it to me for Poetry in America at EdLabs. That's where I've based myself, where they have the most professional management and where I have the most independence in disbursing monies. I can use all of the money you give at HGSE, or use some to do an experiment in schools at EdLabs. We can draw up a document on its use next week.

I've just written to the finance director of Edlabs for details on how to write the check.

I'm so grateful for your help Jeffrey. Immensely.
