Hi Jeffrey,

I hope all is well? I'm glad to see you have kept going with your passion for science.

Long time no see! :) We haven't caught up in a while. I turn 40 in 2014 and would like to take you out for lunch if you were free to catch up and, more importantly, to say, if one can in a lunch, thank you for your amazing contribution to my life. Feeling fabulous at 40:)))))) (ok so I'm wrinkly and porky but I feel good:) I look forward to hearing from you?

Clare I'veagh
