Jeffrey

Just landed, Boeing is in Palm Bch now, we had a good flight. I have to chan=e a fuel boost pump, it failed and tripped the Circuit breaker during the f=ight. This is the second boost pump we changed since test flight, could be f=om sitting for 7 months. I'll have the pump changed tomorrow in Palm bch, w= have 12 fuel boost pumps installed on the Boeing. Otherwise the plane flew very good, also the fuel flow is working on the FMS=systems as well.,

Thx,
Larry
