Good afternoon Jeffrey.

I hope you're doing well. I finally got the=news from Peter's HR after 5 interviews with the team. The email said =hat they didn't select me for the role followed by the long explanatio= why.

My biggest concern during the interviews with the me=bers of the team was their focus on my modeling career, perhaps this is wh= they didn't see me as a strong candidate.

You mentioned the=other day that you wanted to know from David what made him push me back to=mid May, did you hear his feedback?

I would love to contact him =gain, please let me know what you think.

Thank you for your supp=rt, so much!
