Subject: charlie albright

this is the young pianist who lives in Jim Watson's apartment here. He gave us a private concert to us and is quite gifted, I thought.

https://en.wikipedia.org/wiki/Charlie_Albright <https://en.wikipedia.org/wiki/Charlie_Albright>

watching his hands in the first few seconds here, and see his playing- it is very nice

maybe when we see=jim we ask him if charlie might be free too...
