Here are 2 Brindle boys. They are 3=weeks old.

Same as with the Mearles, they are Euro=ean, from Hungary. Dad is 200 lbs + and gorgeous.

All dogs are top of the line show dogs, so this is not pet store puppy=mill variety.

Let me know if any of these lo=k interesting and I will get better pricing for you. Or if you prefer to ta=k to the breeder, I can put you in contact
