Hello Jeffrey,

Thank you very much again for helping me with the rent.

I'm really truly sorry for my previous incorrect gaffe. I didn't do it on th= purpose or with bad intension. I changed my mind about that and I was supp=se to tell you, which I consider unfair from my side. Im talkig this as a h=ge lesson as far as you didn't cut me out. I'll do my best to be always hon=st with you. I really appreciate you didn't throw your faith in me away. = Is there anything I can do to reciprocate your help to me?

Thank you again... For help and second chance as well
