Subject: Re: LSJ Housekeeping Steps and Wall

Jeffrey,

The steps were on the punch-list before I got to the island and I have not been involved with the design. But it should be fairly easy to redo the landing so it is less obtrusive. Will discuss with Dupson and forward a solution to a more discrete design

Thanks

John

i dont want to come out of my bedroom onto a staff landing it should be a path behind a bush, they said they needed steps so duclle wouldnt slip, <=r>

not sure how john prioritizes punchlist as no one has asked me. . seems silly

Direction given to who, reference only step=
There are 2=landing, Hence both to be removed and steps all the way
