This is the =argest Engine they make in the city express. It does have a good amount =f power. Remember its really Light.

For what you are =sing in for I think you will be very happy with the gas saving and =ower of the Van. Everything else is very large and =ulky.

i am concerned =hat horsepower of 131 and torque of 139 is to weak  
does =ity express come with a larger engine or is there something that is =ore powerful that you would  
recommend  
please =dvise  
thank you
