Dear Martin

You made our day. Insant hero and friend. Thanks for the ki=d words about our institute. Come back at CeMM anytime to do anything you =ike- we would be ultra-delighted

Will think about collaborations.

All the best

Giulio

Dear Martin,

Attached you find a few photos from your sunny visit to CeM=!

Thank you very much again for your time. It would be exciting if this was to become the starting point for more collaborations between your group and labs at CeMM.

Best regards,
andreas
