Subject: pilots candidates

Jef=rey,.

I just spoke to William Murphy (=ge 54), colleague of mine for 20 years, he was =operating a private GIV that just closed their flight de=artment yesterday, William did some of the test flights du=ing prebuy of our GIV,. he spent 17 years flying GIV&nbs=;for Mr Hysinga, laid off two years ago, due to cutbacks,. =e is a friend of Billy DiMarro, he could be a possible =ilot candidate, he will not be able to fly for at leas= 30 days until he negotiates his severance package, and sal= of the GIV. This company had 4 GIV pilots on staff. =illiam was the last to be hired 2 years ago. William is =friends with Dave Rodgers as well, he might be hesitant to =eplace Dave, just a guess. Oren is my first choice and wi=l have better opinion after I fly with him on Saturday at=20this point.

Boeing 727 traini=g is set for Thursday and Friday, Dave, Bill Hammond and =yself.

I will be flying with O=en on Saturday morning flight from STT to PBI.

=nbsp;

I'm trying to plan ahead, Who should I se= up for GIV on Sunday's trip from PBI to NY and P=ris trip?

Dave, Oren or Chip?

thank you,

Larry
