Jeffrey,

If memory serves correct, Reenstra got his commission direct from sikorsky, so we would have never seen that number, I had this conversation some time ago with Howard German when I asked him why Reestra gets a commission again since we where duplicating the second S76 from them, Howard informed me it was because our NY office was in Reenstra's sikorsky's sales territory and would couldn't do anything to change that, I'm sure his commish was built into our purchase price, so we paid no matter what!

Darren should have closing papers from both S76 purchases, but I'm pretty sure they would not show Reenstras money, since sikorsky paid him, to the best of my knowledge.

Hope this helps

Thx

Larry
