Good morning,  
Here is the construction schedule for the 66th street apartments.  
I include the work we have already done so you can see the progress  
and get an idea of how long the work has taken to do.  
Please let me know if you have any questions.

I finally received a delivery date from Artefacto for Palm Beach of this thursday but still no time frame.  
Karyna sent me a message this morning about moving that to friday and I am working on that  
if it is absolutely necessary to change it.

As for the New York deliveries, they are still working on the logistics of the shipment and  
promise me an answer soon. They have not kept one of their promises up until now.

Gregory
