Jeff,

We met some time=ago, but it's been awhile and I wanted to reconnect. Are you he=ed to Sundance film festival this year? There is a film that is pre=iering this year during The Sundance Film Festival and we are hosting a Ne=roscience panel with a variety of entrepreneurs, doctors, and leaders in i=novation in this space. Wanted to see if we could get you involved i=a panel / dinner during the first weekend.

Lot's of respect for everything your doing in this field and would lo=e to connect with you at some point either at the festival if you happen t= be in town.

Cheers,
