He spoke about this. Said - landscaper received info from you and then - your main guy- couple that runs the house- also gave landscaper some info- seems like to me- to many people are speaking for you- which have to say jeff- I had a little of this when we first started with the chef- think everyone wants to give you - what they THINK you want. Vs having u tell - main sources exactly what you want + like- but all this is easy to solve once we get the correct players that you like to deal with- just takes a little pain at the start-we will get you set
